

Progressive Lawn Maintenance

PROFILE

TEAM MEMBERS

JOSE HEREDIA was born and raised in Mexico City. He moved to the U.S. in pursuit of his passion for business. His strong work ethic has led him to succeed in many industries including accounting, real estate development and property management. He proudly founded Progressive Lawn Maintenance, which serves to provide quality commercial lawn care services.

MICHELLE HEREDIA was born in Venezuela and raised in the U.S. She has served as the guiding force in Jose's life. With her customer service, marketing and human resources experience, she contributes great knowledge to Progressive Lawn Maintenance.

ALBERTO HEREDIA as the Director of Operations is a great asset for Progressive Lawn Maintenance due to his extensive background in business management, logistics and sales. He oversees daily field operations, ensures that procedures are followed and properties are serviced to the highest standards.

ABOUT US:

Progressive Lawn Maintenance's mission is to provide superb service and dependability in lawn care and maintenance. We provide quality service that is far more thorough than our competitors. Our ability to communicate with our customers and surpass their expectations is unmatched. Our key to success is to listen and understand each individual customer's needs.

WHO WE ARE

Progressive Lawn Maintenance currently employs landscaping professionals with experience in all landscaping equipment. We believe no job is too big or small. We are a fully insured company and are very particular in our hiring practice requiring all our employees to be properly trained to our standards. We believe we're only as good as our employees and therefore, are very careful during the hiring process to ensure that we only hire the best landscaping professionals in the industry to work for our company.
